CITY HOSTS WORKSHOPS ON 2013-2021 HOUSING ELEMENT MID-TERM UPDATE

August 9, 2017....San Clemente, California...The City of San Clemente is currently working on its midterm update of the 2013-2021 Housing Element. This update reviews the Housing Programs set forth in the San Clemente Housing Element and makes modifications based on current and projected needs. The State of California requires that all local governments (cities and counties) adequately plan to meet the housing needs of everyone in the community. The City will be holding two informational workshops to discuss housing issues in our community:

August 16, 2017 from 4:00-6:00 p.m., Council Chambers at City Hall - Planning Commission Study Session/Public Information and Workshop (focusing on housing developments and social service partnerships).

August 17, 2017 from 6:30-8:00 p.m., Community Center Fireside Room (general housing issues).
