FOR IMMEDIATE RELEASE

City of San Clemente to Host Toll Road Town Hall

October 5, 2018...San Clemente, California... The City of San Clemente is hosting a Toll Road Town Hall to provide San Clemente residents and South Orange County neighbors a brief overview of the South County Traffic Relief Effort Project Study Report-Project Development Support (PSR-PDS) conducted by The Foothill/Eastern Transportation Corridor Agency (F/ETCA), part of the Transportation Corridor Agencies (TCA) in cooperation with the California Department of Transportation (Caltrans) District 12.

The goal of the Toll Road Town Hall is to take public comments from the community as it relates to the PSR-PDS and forward those comments to the TCA and Caltrans. The PSR-PDS, which serves as the report for traffic-related projects in South Orange County, including the proposed SR-241 Toll Road Extension and I-5 Managed Toll Lanes Expansion, both of which will result in the taking of public and private land in the City of San Clemente.

Public participation is encouraged following presentations by traffic and mobility experts regarding the proposed Toll Road and other traffic-related plans being proposed by the TCA. The public may submit written comments/documentation, record a video comment or speak publicly, all of which will be transmitted to the TCA and Caltrans. If anyone would like

to send the City comments or documentation in advance of the Toll Road Town Hall, please email the City at:

tollroadinfo@san-clemente.org

All correspondence sent to this email will be included in the City's submittal to the TCA and Caltrans.

Where: San Clemente Community Center Auditorium, 100 N Calle Seville, San Clemente

When: Wednesday, October 24, 2018

Time: 6:00pm-8:00pm

Who: The Toll Road Town Hall will be moderated by Stan Oftelie, former CEO of OCTA, TCA, Orange County Transportation Commission and the Orange County Business Council.

Participants confirmed:

- City of San Clemente Toll Road Sub-Committee – Councilmember Lori Donchak and Councilmember Kathy Ward.
- IBI Group – International consulting firm in the fields of engineering, planning, transportation, and technology.
- OCTA – Orange County Transportation Authority - the public sector transportation planning body and mass transit service provider for Orange County, California
- TCA – Transportation Corridor Agencies - joint powers authorities created in Orange County to plan, design and construct publicly-owned toll facilities as a part of the regional transportation system.
