February 14, 2019...San Clemente, California... Yesterday, February 13, 2019, the City of San Clemente closed a portion of N El Camino Real, between Camino Capistrano and Avenida Pico, due to a landslide in the area.

Due to the continued rain, the road will remain closed through Monday, February 18, 2019. If you are headed south on Pacific Coast Highway, please use Camino Capistrano. If you are headed north on El Camino Real, please use Avenida Pico to the I-5 Freeway. If the closure continues past Monday, information will be posted through subsequent press releases, on the City's website and social media.
