### FOR IMMEDIATE RELEASE

#### SAN CLEMENTE ONLINE DEVELOPMENT PROJECT MAP

June 7, 2019...San Clemente, California... The City of San Clemente is pleased to announce the launch of an interactive online mapping tool that provides updated information to the public about San Clemente development projects on the City's website. The mapping tool identifies development projects geographically and by development status such as under review, approved, under construction, or recently completed. The public can navigate the map geographically, obtain detailed project information and view project renderings. Contact information for case planners is also provided if users have additional inquiries. The map also provides the boundary of the City's designated Opportunity Zone in North Beach. The Development Project Map tool can be found on the City website at <https://bit.ly/2LDnplu>. For additional information on the Development Project Map contact Gabriel Perez, City Planner, at (949)361-6196.
