June 15th Car Show Trolley Route Detour

June 12, 2019....San Clemente, California...On June 15, 2019, the San Clemente Car Show event will take place on Avenida Del Mar in Downtown San Clemente. To assist with parking, the San Clemente Trolley will run at normal operating times throughout the day. However, please be advised that beginning at 10am, the San Clemente Trolley system will have a detour through downtown, as Avenida Del Mar will be closed for the event. After the event ends, the San Clemente Trolley will resume its normal route.

The scheduled detour route times are:

- Saturday, June 15th, 2019 – 10am to 3pm

In order to avoid the road closure on Avenida Del Mar, the San Clemente Trolley will detour on Avenida Cabrillo off of S. El Camino Real, on its way to the Pier. On the return trip from the Pier, the Trolley will detour away from Avenida Del Mar and run down Avenida Victoria, turning left at the light onto S. El Camino Real and continuing the regular route after it passes Avenida Cabrillo. For a more detailed visual of this temporary event detour, please refer to the map on the last page of this press release.

This detour will impact stops 2-4 and 14-16. Temporary trolley stop signs for these areas will be placed at alternative locations for the duration of the event. Riders can still expect a trolley at each stop about every 15 minutes.

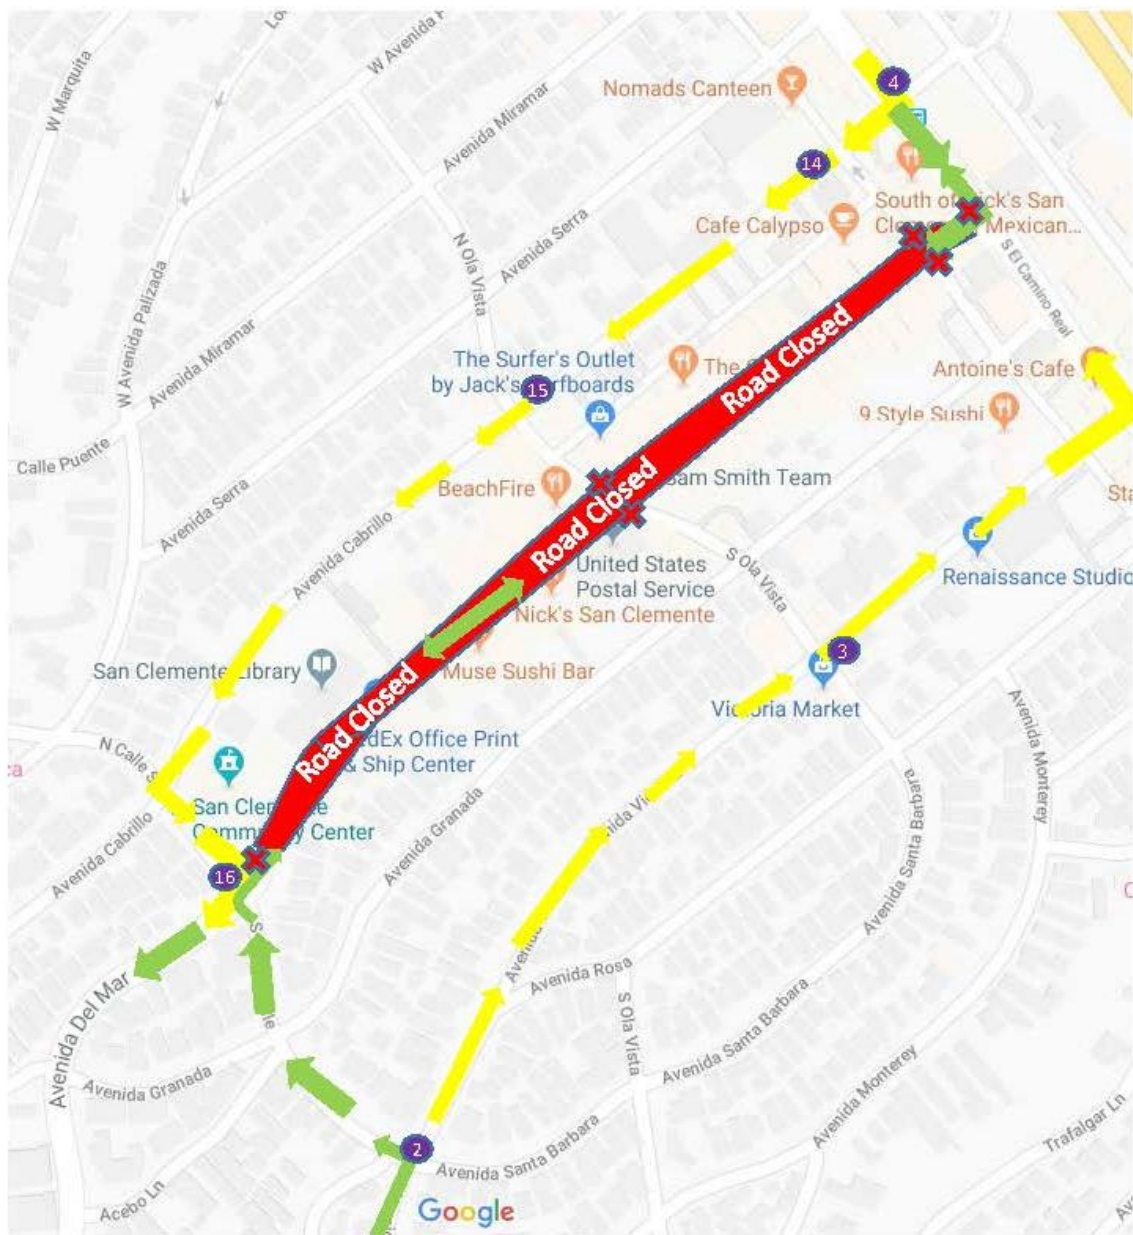

The Red Line Downtown Trolley Route runs northbound and southbound throughout downtown San Clemente and stops at 16 different locations. For more information about the San Clemente Trolley, including a detailed map of stops for the entire system, please visit <http://www.san-clemente.org/trolley>. Riders can also track the trolley in real time during the event and other operating hours at <http://sctrolley.com>.
