DRIVE-IN MOVIES AT THE MEADOWS
The City Recreation Division hosts two summer drive-in movies

7/9/2020…San Clemente, California… The City of San Clemente is bringing the big screen to the meadows with the first “Drive-in Movies at the Meadows”. The community can look forward to two exciting features on July 17 at 8:15 p.m., featuring Sonic the Hedgehog (1h 40m), and August 14 at 7:45 p.m., featuring Surfs Up (1h 25m).

Advanced registration is required and is $5.00 per vehicle. Cruise over, sit back and enjoy the show from your vehicles. For the full drive-In experience, movie watchers will have an option to listen through the radio with an FM transmitter or roll down the windows to listen to the surround sound. A small assortment of food trucks will be available on site for walk-up orders, both savory and sweet options to satisfy those cravings. Restrooms will be provided with continuous cleaning and monitoring.

Due to safety and social distancing guidelines, walk-ups, bikes, and sitting outside your vehicle is prohibited. Parking will open 1-hour before the show, and all vehicles must be parked 15 minutes before show time. Parking is first come, first served. Additional details will be provided upon registration confirmation. To register, go to san-clemente.org/events and click on the drive-in movie listing.
The City of San Clemente would like to give a special thank you to Casa Romantica for their generous donation towards this inaugural community event. For more information on the Casa Romantica programs and events during COVID-19, please visit their website at www.casaromantica.org.

For more information, visit san-clemente.org or contact the City of San Clemente Recreation Division at (949) 429-8797 or (949) 361-8264.
