FOR IMMEDIATE RELEASE

You’re Invited! Community Survey

August 14, 2020…San Clemente, California…The City of San Clemente invites the community to participate in future community surveys. If you are a resident or own a business in San Clemente, sign up to join the San Clemente FlashVote community!

The City of San Clemente has partnered with FlashVote to conduct anonymous, one-minute surveys on local matters important to our San Clemente community. These surveys may cover subjects such as housing, economic development, community character, and other topics. FlashVote is a new online survey tool that gives you a quick and easy way to share input with the City. You decide how to interact with FlashVote from email, text, and voice options. You decide how much (or how little) to participate, starting with surveys that can be completed in one minute or less. The surveys provide anonymous feedback and after the survey closes, you can see the same anonymous results that the City sees. Civic participation has never been easier!

We hope you’ll participate and share your thoughts on topics important to everyone in the San Clemente community! Do you have one minute a month to help the City of San Clemente? Sign-up at www.flashvote.com/sanclemente today!
