Application for Short-term Apartment Rental (STAR) Permit

It is the purpose of the Short-term Apartment Rental (“STAR”) permit process to provide for the streamlined review of uses that may have an impact on the surrounding environment and require discretionary review, but due to their nature, scale or location, do not require discretionary consideration by the Planning Commission. The STAR permit process has as its purpose the same goals for uses described for the Minor Conditional Use Permit process included in section 17.16.060(A), Conditional Use Permits, Purpose and Intent, of this chapter, with the exception of the owner-specific nature of the permit not running with the land.

A STAR permit is required for each STAR that is located in a residential zone where general STLUs are not permitted, as indicated by the use tables in Chapters 17.32, Residential Zones and Standards, through 17.48, Public Zones and Standards. STARs located in zones where STLUs are permitted require a STLU Zoning Permit.

Upon the conditional approval of the STAR permit, the applicant will be required to do the following:

1. Notify all property owners within 300 feet of the subject property of the following information:
   a. The names of the STAR owner/operator, including telephone numbers at which that party may be reached on a 24-hour basis.
   b. The City’s Code Enforcement telephone number by which members of the public may report violations of this chapter.
   c. The maximum number of renters that are permitted to stay in the unit(s).
   d. The maximum number of vehicles that are allowed to be parked at the property.

2. Obtain, and maintain, vacation rental property insurance that covers the commercial lodging use of the site. Proof of insurance shall be provided to the Community Development Director or his or her designee. Proof of insurance for use of property as an STLU must also be resubmitted each year.

3. Record with the County Clerk–Recorder, at the owner’s expense, a “City’s Right to Notice of Change in Ownership” covenant. It must state that the property owner covenants to give the City notice of any change in ownership upon conveyance of the property. Notice must be by the owner or by the owner’s escrow agent. The STLU zoning permit is void as of the date of conveyance.

4. Apply for and receive a STLU operating license from the City’s Finance Department. This is a separate application process to register the property to pay Transient Occupancy Tax, and is to be done only after the STAR permit is approved.

PUBLIC NOTICING INFORMATION
The City of San Clemente requires that applicants for development proposals be responsible for providing certain information in the public notice process. The information for which the applicant is responsible is detailed below. All required noticing information must be submitted to the City before an application will be accepted.

Property Owner List
From the current county tax assessor’s rolls, the applicant shall compile a mailing list containing the names, addresses and assessor’s parcel numbers of all the owners of real property within 300 feet, as measured from the exterior boundaries of the subject property.

The mailing list shall also include the property owners of the subject property, the principal agents and/or consultants involved in the application, and homeowners or property owners’ associations covering adjacent property or properties within 300 feet of the subject property. The mailing list shall be submitted with the application. Typically the list can be prepared by a title company or ownership listing service which will issue the list on a set of gummed labels. These labels can be used to address the noticing envelopes (See below). A copy of the labels will be acceptable as the property owner list.

Notification Radius Map
The applicant shall prepare a map at 1:100 scale which indicates the location of the subject property and illustrates the 300 foot radius boundary and all parcels within the boundary. The map shall be submitted with the application.

Notification Envelopes
The applicant shall prepare a business sized envelope for mailing to each name on the property owner list. Envelopes must be return addressed to the City of San Clemente. The assessor’s parcel number must appear on the envelope and should not be placed at or near the bottom of the address as it may be mistaken for a zip code. It is the applicant’s responsibility to pay for postage. Each envelope shall include a postage stamp. One set of envelopes must be provided with the application unless a Tentative Parcel Map, Tentative Tract Map, General Plan Amendment, Specific Plan Amendment, Zoning Amendment, Abandonment or Encroachment application is included, in which case two sets of envelopes are required.

Mailing, Posting, and Publishing
Ten (10) calendar days prior to the schedule public hearing, the City will mail the public notices, and cause a public notice to be published in a newspaper of general circulation. The applicant shall be responsible for posting notification of the public hearing upon the subject property. The City will notify the applicant of this obligation and will provide the posting notification. Failure to comply with these procedures will result in delays in the scheduling of public hearings.
