ATTENTION BUSINESSES & MULTIFAMILY RESIDENTIAL PROPERTY OWNERS!

California Laws Require Proper Waste Sorting

Assembly Bill 1826 requires businesses to implement an organics recycling program. The law applies to businesses that create 4 or more cubic yards of waste per week.

Assembly Bill 341 requires businesses and multifamily dwellings to separate recyclable materials from their garbage the law applies to businesses that create 4 or more cubic yards of garbage per week and to all multifamily dwellings with 5 or more living units.

The City of San Clemente has programs that facilitate compliance with California law through their hauler CR&R Environmental Services.

For additional information or assistance starting a program please contact CR&R Environmental Services at 877.728.0446 and ask to speak with the San Clemente Sustainability Coordinator. They will provide you with a no charge consultation and also assist with staff training.
